

## Consecration Service of Alpha Christian Centre, Kuala Lumpur

Consecration Service started with a procession of priests and pastors from All Saints' Cathedral, Christ Church, St. Patrick's and Church of Our Holy Saviour on 9 March. The atmosphere of faith and joy was deeply felt throughout the service. The completion of the building was a testimony of God's provision and guidance. In his message, the Bishop gave a powerful challenge for FCC to grow and experience the miraculous power of God by words and actions of faith.

Dinner was served after the service. Many stayed back to enjoy the new building and fellowship with one another, celebrating the end of 'wandering for almost 14 years'!

Ven. Canon John Yeo, Rev. Canon Chak Sen Fen and Rev David Wong and pastors from All Saints' and St Patrick's were there to witness this wonderful occasion.

## Alpha Equip & Refresh Kota Kinabalu

Over 150 from all over the Diocese participated in the Alpha Equip & Refresh (trilingual) at All Saints' Cathedral, KK on 16 Feb.

# Alpha

The Alpha Course is a 10-week introduction to Christianity covering questions such as:

- Who is Jesus?*
- Why did Jesus die?*
- How does God guide us?*
- Does God heal today?*
- Who is the Holy Spirit?*
- How to resist evil?*

The Alpha Equip & Refresh is a great place to be trained to run Alpha course because it covers the essentials in Alpha, the principles and practicalities.

## Kokol Mountain Prayer Retreat Centre Kota Kinabalu

A piece of land of about 10 acres in the Kokol Mountains has been given to us for the purpose of building a retreat center. Situated on high ground, it has a panoramic view of both the Inanam area on one side and the KK city on the other.

A committee for the project has been formed under the chairmanship of Mr Chris Chiew. The soil investigation on the site has been undertaken and the results are taken into consideration in the design of the building and the infrastructure. The tender for the project has been called while a plan for the project has been submitted simultaneously for approval.
